OPPORTUNITIES, THREATS, RISKS AND CONCERNS

Outlook

The infrastructure industry is expecting a marginal improvement in this year, after suffering a major setback. The Government of India has taken measures to stabilize the economy and revive the sentiments which are expected to have positive effects for the economy in medium to long term. The slow growth in the infrastructure sector was primarily driven by a range of sector-specific issues, such as land acquisition, environmental clearances, high interest rate regime and macro-economic factors. Your Company is prepared to capture the growth in the high end, focused to meet the challenges and is committed to deliver the best in adding value to the company.

Opportunities

Your Company, known for 'Innovative Thinking', enjoys strong brand image for the past performance which will act as a catalyst in ensuring a sustainable growth in future. In addition,

the new affordable housing scheme, steady growth in port activities, industrial urban infrastructure services and increased opportunities for EPC shall drive growth prospects to the Company's business.

Threats

On the whole, the year FY12-13 was a year of economic uncertainties and weak sentiments. The infrastructure sector is still in its nascent stage and a lot of development is required in logistics, ports, railways, road connectivity, communications and power. This was a tough year for the industry, where only government action on the policy front as well as softening of interest rates will be the saviours that could make it a better year. Independent Auditors' Report

To

The Board of Directors of MARG Limited

We have audited the accompanying consolidated financial statements of MARG Limited ("the Company") and its subsidiaries and associates (hereinafter referred to as "the Group") which comprise the Consolidated Balance Sheet as at 31-Mar-13, and the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting

estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Qualified Opinion:

The Audit report of Mukta Infrastructure Private Limited, subsidiary company, has been qualified by us as the company has not provided for impairment loss of ₹ 7.70 Crores on land held as on 31-Mar-13, which is not in accordance with Accounting Standard (AS 28) "Impairment of assets" and for non provision of prior period tax of ₹ 0.19 Crores. Consequently the assets are overstated by ₹ 7.70 Crores and liabilities are understated ₹ 0.19 Crores and loss for the year and the accumulated losses are understated by ₹ 7.89 Crores as on 31-Mar-13.

The Audit report of Arohi Infrastructure Private Limited, subsidiary company, has been qualified by us as the Company has not provided for premium payable on redemption of debentures which is ₹ 4.93 Crores as on 31-Mar-13 which is not in accordance with Accounting Standard 16 "Borrowing Costs". This resulted in understatement of losses for the year and understatement of liabilities and accumulated losses as on 31-Mar-13 by ₹ 4.93 Crores.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on the financial statements of the subsidiaries, *except for the effects of the matters described in the Basis of Qualified Opinion paragraph*, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31-Mar-13;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the loss for the year ended on that date; and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying our opinion we draw attention to Note 43 to the financial statements. The accompanying financial

statements have been prepared on a going concern basis after giving due considerations to all matters more fully explained in aforesaid note.

Other Matters

We did not audit the financial statements of certain subsidiaries, whose financial statements reflect total assets (net) of ₹ 730.78 Crores as at 31-Mar-13, total revenues of ₹ 277.67 Crores and net cash inflows amounting to ₹ 47.95 Crores for the year then ended. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion is based solely on the reports of the other auditors. Our opinion is not qualified in respect of this matter.

The financial statements of Marg International Dredging Pte Limited and Marg Trading Pte Limited, subsidiaries, incorporated outside India whose financial statements reflect total assets (net) of ₹ 75.38 Crores as at 31-Mar-13, total revenues of ₹ 22.09 Crores and net cash outflows of ₹ 6.05 Crores for the year ended 31-Mar-13, have not been audited and have been certified by the management and have been furnished to us, and our report, in so far as it relates to the amounts included in respect these companies are based solely on certified financial statements.
