REFER PARAGRAPH (BASIS OF QUALIFIED OPINION) OF THE AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS:

- (i) In respect to Note No. 31 to the audited financial statements of the year ended 31st March, 2021 regarding the investment in New Chennai Township Private Limited the management hereby clarifies that the consolidated financials of Marg Group includes unaudited financials of New Chennai

Township Pvt. Ltd (NCTPL) for FY 2021 as they are under IRP. Like, Marg Limited, we are working towards settling all NCTPL lenders by proposing a scheme under 12A, and a such scheme shall not have any material impact on the consolidated Financials of MARG Limited.

- (ii) In respect to Note No. 33(b) to the audited financial statements of the year ended 31st March, 2021 regarding the Arohi Infrastructure Private Limited (Arohi), the management hereby clarifies that on ist June 2021 an agreement has been reached between the guarantor and the lender for an One Time Settlement (OTS) to be paid as per mutually agreed payment schedule. We are hope full of Arohi becoming a going concern by 31st March 2022.
- (iii) In respect to Note No. 28 to the audited financial statements of the year ended 31st March, 2021 regarding the providing interest for loans assigned to Asset Reconstruction Company (ARCs), the management is of the opinion that since the company has already entered into proposal with ARC for converting debt to equity providing for the interest shall not be viable.
- (iv) In respect to Note No. 31-33 to the audited financial statements of the year ended 31st March, 2021 regarding the charging of interest on loans that are given to Subsidiaries, the management hereby clarifies that Outstanding in Borrowings from Banks, Financials Institutions and ARC had become NPA due to this no interest is charged. In respect of loan receivable from Subsidiaries, no interest is provided as subsidiaries unable to service loans and interest to its outstanding loans from bankers as it has become NPA, we continue not to provide Interest and burden the subsidiary companies.
- (v) In respect to Note No. 35 to the audited financial statements of the year ended 31st March, 2021 regarding the investment in Karaikal Port Private Limited (KPPL), the management is workings towards reinstatement of Invoked shares in favour of MARG limited, whereby shares held by Marg Limited in KPPL will be reinstated thereupon will be pledged back to EARC. We have not given necessary effect to the investment value as post reinstatement Marg Limited will again hold Equity shares to the extent of 40.56% in KPPL.
- (vi) In respect to Note No. 34(c) to the audited financial statements of the year ended 31st March, 2021 regarding the EPC work in progress, the Company hereby clarify that the work is going on, which is not yet completed. Now Company is evaluating the work status and it will be billed shortly.
- (vii) In respect of Note No. 37 to the audited financial statements of the year ended 31st March, 2021 as most of the Bank Accounts maintained with various banks have been attached by the Income-Tax Investigation Wing during search conducted in Financial Year 2017-18, the Banks have refused to provide the Balance Confirmation / statement of

account. The Company is working towards getting the attachments evicted.

- (viii) Regarding Obtaining Balance Confirmation from Banks / ARCs / Customers / Creditors as on 31st March 2021 the company is proposing One Time Settlement with each one of them separately hence the Balances on confirmation of OTS shall be considered as Final Balance.
- (ix) In respect of Provision to be made towards the interest payable to MSMEs, We feel that since we are only settling for the value less than the principle to all stakeholders depending upon the financial situation, adding any further liability without any realistic effect does not have any effect hence not considered.

REFER EMPHASIS OF MATTER OF THE AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENTS:

- a) In respect of preparing financial statements on 'Going Concern' basis reference is drawn to Note No. 30 which is self explanatory;
- b) Regarding Note 31-33 investments in and advances and receivables due from Subsidiaries aggregating to Rs. 1,191.55 Crores (Previous Year Rs. 1,190.16 Crores) as on 31st March, 2021 no provision for diminution / recoverability is not considered necessary.
- c) In respect of deductions made/amount withheld by some customers reference is drawn to Note No. 34 (a& b) which is self explanatory and the management is in the process of renegotiating/ necessary legal forum to recover the best possible way extent over couple of years.;
- d) Regarding Trade Receivables overdue for more than one year amounting to Rs. 69.66 Crores is fully recoverable and there is no uncertainty. Further regarding Trade Receivables amounting to Rs. 27.92 Crores under arbitration the management feels that the arbitration award will be in favour of our company hence the full amount shall be recovered.
- e) In respect to Note No. 28(b) and 29(a), the regarding the settlement plan with Edelweiss Asset Reconstruction Company Ltd (EARC), the management hereby clarifies that in line with 12A proposal submitted, EARC has taken up the same for the committee approval post which Master Restructuring Agreement will be signed subject to the company satisfying the conditions precedent given in their initial in principal approval. The company, however, complied with a condition to in-principal approval and issued Equity shares of the extent of 24.99% to EARC converting part unsustainable portion of debt. However other precedent conditions are to be satisfied.

- f) In respect to note 28(c), as the company is in the process of setting one time settlement with all lenders, COVID 19 impacted the investors sentiments initially, however we feel it would come on track as investor can never wait too long for their golden opportunities arising out of this COVID 19.

REFER ANNEXURE-A TO THE AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS:

Point 7(a) & 7(b) of Annexure A to Standalone Auditors' report: The delay in the payment of Provident fund, Employee's State Insurance, Income Tax, Wealth Tax, Custom Duty, Cess, Sales Tax, Service Tax and other material statutory dues were due to lower cash inflows from the existing projects and the company is arranging to make the payments shortly. Due to slow down in the Infrastructure and Real estate sector and the resultant impact on the performance of your Company there were defaults in repayments of principle and interest dues to the Banks and Financial Institutions. However, the management opines that with improved business scenario, your Company will be able to meet its obligation.

REFER PARAGRAPH (QUALIFIED OPINION) OF ANNEXURE B TO THE AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS:

The delay in recording of expenses transactions met out of staff imprest advances are not intentional and the company has taken necessary steps to update it as soon as possible.

REFER BASIS OF QUALIFIED OPINION OF THE AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS:

- (i) In respect to Note No. 30a and 31(1)a to the audited financial statements of the year ended 31st March, 2021 regarding the providing interest for loans assigned to Asset Reconstruction Company (ARCs), the management is of the opinion that since the company has already entered into proposal with ARC for converting debt to equity providing for the interest shall not be viable.
- (ii) In respect to Note No. 36 to the audited financial statements of the year ended 31st March, 2021 regarding the EPC work in progress, the Company hereby clarify that the work is going on, which is not yet completed. Now Company is evaluating the work status and it will be billed shortly. Further regarding the management fees, the company was receiving earlier the said fees, now due to some dispute, but the Company is confident to receive the amount.
- (iii) In respect to Note No. 38 the regarding un-reconciled amount relating to the equipment loan availed by the company. The reconciliation of the loan account is under process. Pending such reconciliation the management considers it appropriate to classify the same under "other advances" in the Balance Sheet. Note 38 of the

consolidated financial statements is self explanatory.

- (iv) In respect to Note No. 32(II) to the audited financial statements of the year ended 31st March, 2021 regarding the investment in New Chennai Township Private Limited the management hereby clarifies that the consolidated financials of Marg Group includes unaudited financials of New Chennai Township Pvt. Ltd (NCTPL) for FY 2021 as they are under IRP. The company, however, complied with a condition to in-principal approval and issued Equity shares of the extent of 24.99% to EARC converting part unsustainable portion of debt. However other precedent conditions are to be satisfied.
- e) Reference to the Auditor's Qualification regarding considering M/s. Marg Sri Krishnadevaraya Airport Private Limited as its subsidiary the management clarifies that the day-to-day management and control over the company's activities rests with MARG Limited hence it is considered as subsidiary company, moreover the amount received from M/s. VDB Projects Private Limited was always in the nature of advance.
- f) In respect of Property of the Subsidiary Companies provided security for various loans, reference is drawn to Note No. 33 which is self explanatory;
- g) In respect of the Investments in and Advances receivable due from some of its Subsidiaries Companies, reference is drawn to Note No. 34 which is self explanatory;
- h) In respect of deductions made/amount withheld by some customers reference is drawn to Note No. 41 which is self explanatory;

- i) In respect of case filed in Tamil Nadu Real Estate Regulation Authority (TNRERA) against Marg Properties Limited, please note company has already formed the customer association and opened escrow account to ensure the project completion is assured as each and every penny of customer remittance will only be used for project completion, hence we feel those opted for refund also take up the flat on completion of the project.
- j) In respect to note 8 regarding COVID 19, as we are in the process of setting one time settlement with all lenders, this COVID19 impacted the investors sentiments initially, however we feel it would come on track as investor can never wait too long for their golden opportunities arising out of this COVID 19.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MARG Limited is an ultimate holding company of MARG Group which operates in diversified business operations under different verticals. The Company operates predominantly in Ports, Residential Projects and has presence in other business like Resources, Urban infrastructures etc. The Development Business is focused primarily on the development of affordable residential projects and certain strategically located commercial projects. The Company also offers commercial spaces.

The residential real estate sector is going through a critical transition phase post demonetization as transaction activity has slowed down considerably. While demonetization has had a negative impact in the short term, it will eventually help improve governance standards in real estate and provide a level playing field for organized developers.

ECONOMIC ENVIRONMENT

There is a gradual revival being seen in the construction sector. Road laying is picking up pace and so is other construction activity. While investments are still subdued due to excess capacity across sectors, it is expected that a prolonged period of controlled inflation, a stable government policy and steadily improving per-capita income would improve consumption and lead to a more sustained growth in the range of 7.0-8.5%.

CONSTRUCTION INDUSTRY OVERVIEW

The government announced a big boost for affordable housing, which is expected to be the next big growth area. Under the Smart Cities program, a total of 100 cities will see the program positively impacting the lives of nearly 9.95 crore people with high-quality core infrastructure and a more sustainable quality of life. There have been some positive green shoots for realty in the last 2 years on the funding side and the regulatory side. Mutual funds have been allowed to invest in REITs (Real Estate Investment Trusts) and InvITs, (Infrastructure Investment Trusts) which will give investors securitized access to realty assets.

The Indian real estate industry has seen significant changes due to the challenges posed by ongoing structural reforms. These challenges were further aggravated because of liquidity concerns. Indian real estate industry is currently undergoing a massive transformation due to landmark reforms like Real Estate (Regulation and Development) Act (RERA) 2017 and GST (Goods and Services tax) implementation. Although these initiatives are helping in accelerated sector organization, they have also led to increased uncertainty in the short term.

Business Verticals Overview, Business Segment Review and Outlook

EPC VERTICAL

MARG is in the process of pipelining additional EPC contracts - bidding for mega contracts in the specialized areas like marine, industrial projects, urban infrastructure and solar & alternate energy sector. Further the EPC divisions of MARG will increase the turnover in the forthcoming years.

MARG EPC has been appreciated for safety practices, a notable achievement as the present accident frequency across all project sites is very less compared to other companies projects.

PORT

Karaikal Port - a deep draft, all weather port and MARG Limited holds substantial stake in the company. The Port is now in the Eleventh successful year of operations.

BUSINESS DEVELOPMENT UPDATES

The major customers of Karaikal Port for handling coal imports like AMR Logistics, Apoorva Logistics, Bulk Trans Logistics, Chettinad Cement, Dalmia Cement, Ramco Cements, IL&FS, Ultratech Cements, and The India Cements for handling their coal imports. Karaikal Port added new cargos to the portfolio like Wood pulp and other cargo to bring additional cargo to the port.

SEZ

MARG is developing two special economic zones in the field of Engineering Services and Multi Services spread over 612 acres as part of 'MARG Swarnabhoomi - The Land of New Thinking'. This Project is developed by New Chennai Township Private Limited, a wholly owned subsidiary. MARG Swarnabhoomi is located on the scenic East Coast Road, midway between Chennai and Puducherry.

Engineering Services SEZ is promoted at MARG Swarnabhoomi with the objective of attracting clients in various segments like Auto Components, Fasteners, Valves, Pumps, Power components, Electronic components, Electronic meters, Renewable Energy, etc. M/s Grundfos Pumps, M/s P.H. Hydraulics and Pneumatics, M/s Eswari Electricals, M/s Kwik patch Ltd and M/s Twin Disc (Far East) Pte Ltd are operating in Engineering services SEZ. M/s Zwilling, a German based Kitchenware manufacturer has signed lease deed and started setting up their premises in MARG Swarnabhoomi. M/s Tecpro Energy Systems has registered lease deed and is in advanced stages of setting up their premises in MARG Swarnabhoomi.

The Multi Services SEZ is promoted in MARG Swarnabhoomi to attract clients in various segments like IT/ITES, Knowledge Hub, BPO, KPO, Animation, Medical Tourism, R&D, Publishing etc. The Company has added few clients in the respective year M/s Groom India Salon & Spa Private Ltd and Enterprise Touch etc.

REAL ESTATE DEVELOPMENT

MARG's residential development arm - MARG ProperTies is moving forward as lot of infrastructure growth is happening in Tamil Nadu and the company has a strong presence in Chennai where there is a huge demand for residential space. To cater to the housing demand and leverage the economic growth drivers, the company has a strong project pipeline and land bank near the suburban micro-markets. The company's project portfolio is primarily skewed towards mid and low

income segment which forms the bulk of the residential demand.

"With 2018 - 19 being the year of landmark decisions for the Indian real estate industry, the sector saw concerted efforts by the Government to bring in transparency as well as boost consumer sentiment in the sector, especially in the residential market is positive with an expectancy of steady growth, stability and revival in the market."

The Government of India along with the governments of the respective states has taken several initiatives to encourage the development in the sector. The Smart City Project, where there is a plan to build 100 smart cities, is a prime opportunity for the real estate companies.

The real estate sector is one of the most globally recognized sectors. In India, real estate is the second largest employer after agriculture and is slated to grow at 30 per cent over the next decade. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

The impact of demonetization was expected to be shattering for the economy; however, the reality on the ground is quite encouraging; indicative of the fact that the economy is already on its way to fully absorb the impact of the policy

The implementation of Goods and Services Tax (GST) on real estate will directly impact under-construction project is 18% that will be applicable on two-thirds of the value of the property. The controversy over a rise in burden on projects nearing completion was settling down.

The growing flow of FDI into Indian real estate is encouraging increased transparency. Developers, in order to attract funding, have revamped their accounting and management systems to meet due diligence standards

The following Government initiatives will also engorging us to launch and complete our existing project and launch new projects including Plotted layouts.

- The Cabinet Committee on Economic Affairs (CCEA) has approved various measures to revive the construction sector, putting in place a mechanism to release funds stuck in arbitration awards to revive stalled projects.
- Brihanmumbai Municipal Corporation (BMC) has introduced a single-window clearance for construction which will cut the time taken for getting approvals for a building project and lead to correction in prices of residential property, thereby giving a fillip to Mumbai realty.
- India's Prime Minister Mr. Narendra Modi approved the launch of Housing for All by 2022. Under the Sardar Patel Urban Housing Mission, 30 million houses will be built in India by 2022, mostly for the economically weaker sections and low-income groups, through public-private-partnership (PPP) and interest subsidy.

MARG ProperTies believes that it is well positioned to benefit from the opportunities that will emerge as the economic

situation improves further. So, the outlook for 2021-22 is cautiously optimistic.

As the South & West Chennai is getting developed rapidly, MARG ProperTies projects which are located in these areas are benefitted more.

The capital of Tamil Nadu is largely an end-user driven market, making it less prone to speculation. North Chennai is predominantly industrial, while central Chennai is the most developed part of the city with established commercial and residential markets. South and west Chennai, previously predominantly residential areas, are fast turning into commercial zones, hosting a large number of IT and financial services companies.

Outer Ring Road has emerged as the best upcoming investment market with large townships. Outer Ring Road Phase II and Metro Rail Phase II will become operational late this year. The Guindy-Alandur cluster is expected to emerge stronger in the medium term with infrastructure push.

Nodes such as Perungudi, Sholinganallur, Siruseri, along with GST Road, have created enormous employment opportunities in south Chennai. "The focus of the state government in providing excellent road connectivity along these nodes has helped in the development of this region," says Kanchana Krishnan, Director - Chennai, Knight Frank India.

The Chennai real estate market has tepid response owing to slowing economy. Factors such as slowing economic growth, increase in raw material prices and weak rupee among others have contributed towards building a negative sentiment among home buyers. MARG properties also witnessed a slowdown in the projects and sales drop highly because of above mentioned economic downturn.

The investment-growth cycle is yet to kick-in, given the weak global outlook and low capacity utilization levels across industries. Persisting corporate sector stress and risk aversion in the Indian banking system has meant that the rate cuts by the RBI have not translated into the much needed reduction in interest rates for both businesses and consumers, which can spur both demand and confidence. Given the capital intensive nature of the business, the real estate industry in India has also been affected by this situation.

Real estate is a critical sector for India's economy due to its large potential for employment generation, capital attraction and revenue generation for the Government. It is one of the fastest growing sectors contributing about 6-8% to India's GDP and also a key business segment of your Company. After witnessing fluctuating business cycles in the last decade, the real estate sector witnessed a slowdown due to moderate end user demand, rising inventory and high finance costs. Despite the subdued performance in recent years, India's demographics and urbanization trends present an optimistic future for the residential market. Under 'Housing for All by 2022' significant business opportunities are going to open up for construction and real estate industry. The government is exploring possibility of granting an infrastructure status to affordable housing to attract higher investment.

Independent Auditors' Report

To
The Members of MARG LIMITED

Report on the Standalone Ind AS Financial Statements

Qualified Opinion.

We have audited the accompanying standalone Ind AS financial statements of MARG LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement, and a summary of the significant accounting policies and other explanatory information for the year then ended.

In our opinion and to the best of our information and according to the explanations given to us, *except or the effects of the matter described in the Basis for Qualified Opinion section of our report*, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Standalone Ind AS financial position of the Company as at 31st March, 2021, and its loss (financial performance including other Comprehensive Income), Changes in Equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

1. Attention is invited to Note 31 of the Statement, Phoenix ARC Private Limited, Financial Creditor, filed a petition u/s 7 of the Insolvency and Bankruptcy Code, 2016 against one of its subsidiary company M/s. New Chennai Township Private Limited (Corporate Debtor) with National Company Law Tribunal (NCLT). The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the said company under I&B Code 2016 in NCLT Order No. CP/636/IB/CB/2017 dated 5th July, 2019. The NCLT has appointed Mr. L K Sivaramakrishnan as Interim Resolution Professional (IRP) vide order dated 5th July, 2019. Mr. L K Sivaramakrishnan has assumed the status of Interim Resolution Professional (IRP) and issued a public notice on 8th July, 2019. Pursuant to Section 17 of the IBC, 2016 the power of Board of directors has been suspended and vested with IRP. The Resolutions Professional had formed Committee of Creditors (COC). The

COC discussed the need for extension of Corporate Insolvency Resolution Process in the 06th COC meeting. After a detailed deliberation, the COC informed that since there were no viable Resolution Plan and put of the resolution for voting to file an application under Section 33(1)(a) read with Section 33(2) to initiate liquidation proceeding against the Corporate Debtor under Insolvency and Bankruptcy Code 2016. The Resolution professional has filed an application with NCLT for passing an order of liquidation in the light of the final decision taken by COC of the Corporate Debtor. During 8th COC meeting held on 17th June 2021, COC members has discussed various proposal received and also enquired about proposal from promoters and agreed to submit revised 12A proposal. COC has informed Resolution Professionals to check with Hon'ble NCLT whether liquidation application can be withdrawn or take shelter under RBI moratorium period, we are unable to comment on the impact if any, on the investments in Equity Shares of Rs.120 Crores and Advances Rs.355.42 Crores pertaining to this subsidiary as on 31st March 2021. The Company has not made any impairment provision in the value of investments and no loss allowance on loans and advances and accrued interest.

2. Attention is invited to Note 33b, Tata Capital Financial Services limited, Financial Creditor, filed a petition u/s 7 of Insolvency and Bankruptcy Code, 2016 against one of the Subsidiary Company M/s. Arohi Infrastructure Private Limited. The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the said company under I&B Code 2016 in NCLT Order No. CP/672/(IB)/2017 dated 20th March, 2018. The NCLT has appointed Mr S. Rajendran as Interim Resolution Professional (IRP) vide order dated 20/03/2018. Mr S. Rajendran has assumed the status of Resolution Professional (RP) on said date and issued a public notice on 23/03/2018. Pursuant to Section 17 of the IBC, 2016 the power of Board of directors has been suspended and vested with IRP. Further the resolution plan could not be submitted within the prescribed time allowed. NCLT has passed an order on 05th December 2018 to liquidate Arohi Infrastructure Private Limited and appointed Mr S. Rajendran as Liquidator. In view of the order of the NCLT the company should have made the provision of Rs. 0.10 Crores as diminution in value of the investment in equity of Arohi Infrastructure Private Limited and Loans and Advances of Rs. 10.90 Crores. However, the company has not made impairment provisions in the books for the amount of said investment and no loss allowance on loans and advances and accrued Interest total aggregating to Rs. 10.90 Crores. Had these provisions been made the Loss would have been increased to that extent. The Promoter has identified an Investor and submitted a settlement proposal. The identified investor has made an upfront payment of Rs.1.80 Crores to show its bonafide interest in the settlement proposal. Joint Memo has been filed on 22nd June 2021 by the Financial Creditor and Promoter for an adjournment.

3. Attention is invited to Note 28; the company has not provided for interest for the year ended 31st March, 2021 on certain borrowings from Banks and Financial institutions and also on loans that are assigned to Asset Reconstruction Companies (ARCs), which in our opinion, the Company has not followed accrual system of accounting and Disclosure of accounting policy is not in accordance with Ind AS 1-Presentation of Financial Statement to this extent. We are unable to comment upon the settlement of finance cost on the aforesaid loans and carrying value of the aforesaid loans and the consequential impact, if any that may arise on the above said matters.

4. Attention is invited to Note 31-33 of the Financial Statement; the company has not charged interest for the year ended March 31, 2021 on loans that are given to Subsidiaries, which in our opinion, the Company has not followed accrual basis of accounting and Disclosure of accounting policy is not in accordance with Ind AS 1-Presentation of Financial Statement to this extent.

5. Attention is invited to Note 31-33 of the Financial Statement, to the standalone financial results, regarding the Company's non-current investment (including deemed investment) in subsidiaries / step down subsidiaries (unquoted Equity Shares) and other companies aggregating Rs.566.93 Crores for the quarter and year ended March 31, 2021. The Company has not made impairment provision in the books of accounts on investment as required. We are unable to comment on the impact if any, on this investment for the year ended March 31, 2021.

6. The Company has investment in Karaikal Port Private Limited (unquoted equity shares) with a carrying value at cost of Rs.249.79 Crores. The Company has not done fair valuation of this investment as required by Ind AS 109 "Financial Instrument". In the absence of fair valuation report, we are unable to comment on the impact if any, on this investment as at March 31, 2021. The Company has accumulated losses and net worth has been fully eroded, the Company has incurred loss during current and previous financial periods, the Company's current liabilities exceeded its current assets as on 31st March 2021, which indicates the existence of material uncertainty that may cast a significant doubt about the company's ability to continue as going concern. On 21 March 2015 Indian Bank, in their capacity as lead consortium banker, invoked the share pledge and transferred the underlying 164,492,000 equity shares and 37,900,000 Compulsorily Convertible Preference Shares placed by Marg Limited as collateral security towards the term loans taken by the Company on account of repayments defaults. Consequently, the percentage holding of Marg Limited in the equity share capital of the Company has reduced to 7.70%. However, pursuant to a court order, there prevails a restriction on any further transfer of such shares by Indian Bank. The Company has not passed any entry for the financial effects in the books of accounts in respect of the above transfer of shares.

7. Attention is invited to Note 34(c); The Company has not provided for Rs. 9.71 Crores relating to work in progress for EPC work done which remain unbilled as on 31st March, 2021 and Management fee of Rs. 12.22 Crores not

acknowledged by one of its erstwhile subsidiary, Karaikal Port Private Limited. Consequently, the loss for the year ended 31st March, 2021 are understated by Rs. 21.93 Crores Accumulated Reserves and Current assets as on 31st March, 2021 are overstated by the same amount.

8. Attention is invited to Note 37; The Company did not obtain / receive statements, balance confirmation for most of the current and other accounts maintained with various banks. The company's bank accounts were attached by Income Tax Investigation Wing during search conducted at the various premises/sites of the company in Financial Year 2017-2018. The company is in the process of lifting the bank attachment.

9. The company did not obtain/ receive balance confirmation from Banks/ARCs, most of the customers/creditors and other parties including loans and advances other than related parties for the balances as on 31st March, 2021. Hence, we could not obtain external confirmations as required in SA-505, Standards on Auditing and are unable to comment on adjustments or disclosures, if any, that may arise.

10. No provision is made for the liability, if any, towards the interest payable to vendors under Micro, Small and Medium Enterprises Development Act 2006. The impact on non-provision of such interest on the financial statements/ results cannot be quantified due to lack of the required information.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we have determined that there are no key audit matters to communicate in our report.

Emphasis of Matters

Without qualifying our opinion, we draw attention to the following notes to standalone Ind AS financial statements:

1) Note 30, regarding preparing Standalone Ind AS financial statements on 'Going concern' basis. The accompanying Standalone Ind AS financial statements have been prepared on a going concern basis, after giving due considerations to all matters more fully explained in the said note. Our opinion is not modified in respect of this matter.

2) Note 31-33, regarding investments in and advances and receivables due from its subsidiaries aggregating to Rs. 1,191.55 Crores (PY Rs. 1,190.16 Crores) as on 31st March, 2021. No provision for diminution/recoverability is considered necessary for reasons stated therein.

3) Note 34, regarding deductions made/amount withheld by some customers aggregating to Rs.0.93 Crores (PY Rs.1.06 Crores) which are being carried as trade receivables. The company is also carrying work-in-progress/inventory of Rs.20.23 Crores (PY Rs.20.23 Crores) and assets withheld at site of Rs.7.03 Crores (PY Rs.7.03 Crores) relating to these customers. These balances are subject matter of Arbitration

and ultimate outcome of the above matters cannot presently be determined. However, the Company is of the view that such amounts are recoverable and hence no provision is required there against. Our opinion is not modified in respect of this matter.

4) Uncertainties relating to recoverability of trade receivables overdue for more than one year amounting to Rs.69.66 Crores which according to the management is fully recoverable. Further the recoverability of trade receivables which are under arbitration amounting to Rs. 27.92 Crores which according to the Management will be awarded fully in Company's favour on the basis of the contractual tenability, progress of arbitration and legal advice. Our opinion is not modified in respect of this matter.

5) Note No. 29(a) & 29(d)& 35, The company has signed settlement plan with Edelweiss Asset Reconstruction Company Ltd (EARC) (Acting as Trustee of EARC Trust) for various group of loans assigned to the above said ARC for repayment of principal dues of Rs.540 Crores as Sustainable Debt over a period of 3 years from the date of signing this settlement letter by disposing of various assets. Out of Unsustainable portion of Rs.423.74 Crores, Rs.100/- Crores shall be converted to 24.99% of Equity shares of the Company. Remaining Unsustainable portion shall be written-off over the period in the same proportion of payment of Sustainable Debt. Marg Ltd has allotted Equity shares 1,26,99,533 nos. equivalent to Rs.78.33 Crores to various Edelweiss Trust on 28th September, 2018 based as a part of condition precedent of settlement plan signed with Edelweiss Asset Reconstruction Company Ltd (EARC). Edelweiss Asset Reconstruction Company Ltd had subsequently withdrawn the settlement plan executed with Marg Ltd on account of non-fulfilment of conditions precedent to the settlement plan. The Company has yet to execute Master Restructuring Agreement with Edelweiss Asset Reconstruction Company. However, the Company has submitted 12A proposal during CIRP and 95.96% of COC members have accepted the proposal for settlement of Rs.550/- Crores.

6) Note 28(b) in the financial results, which describes the management's assessment of the impact of uncertainties related to COVID 19 and its consequential effects on the business operations of the Company. Our opinion is not modified in respect of this matter.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS standalone financial statements doesn't cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other

information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind As and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a Going Concern, disclosing, as applicable, matters related to Going Concern and using the Going Concern basis of accounting unless management either intends to liquidate the company or to cease the operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's standalone financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and

perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A', statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, except for the matters described in the Basis of qualified opinion paragraph, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, except for the matters described in the Basis of qualified opinion paragraph, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, *except for the effect of the matters described in Basis of qualified opinion paragraph above*, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) The Going Concern matter described in the paragraph (1), under the Emphasis of matter paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - f) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the company and operating effectiveness of such controls as on 31st March, 2021, refer to our separate report in Annexure B.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 29 (b), (e), (f), (g) and Note 34 to the financial statements;
 - ii. The Company has made provisions, as required under the applicable law or Accounting Standards, for material foreseeable losses, if any on long-term contracts including derivative contracts.

- iii. There were no amounts which are required to be transferred to the Investor Protection Fund by the Company.

ANNEXURE-A TO AUDITORS' REPORT REFERRED TO IN OUR REPORT OF EVEN DATE TO THE MEMBERS OF MARG LIMITED:

1) The fixed assets register of the company needs to be updated as on the date of our audit report.

a) The fixed assets were physically verified during the year by the management, as per the programme of physical verification of fixed assets over a period of three years which is, in our opinion, reasonable having regard to the size of the company and the nature of its assets. According to the information and explanation given to us, no serious discrepancies have been noticed on such verification.

b) According to the information and explanations given to us and on the basis of our examination of records of the company, the title deeds of the immovable properties are held in the name of the company. However, the same was offered as collateral for the loan taken by the Company.

2) As explained to us, physical verification of inventory has been conducted by the management at reasonable intervals during the year. In our opinion, the frequency of physical verification is reasonable. The material discrepancies noticed on verification have been properly dealt with the books of account.

3)

a) The Company has granted unsecured loans to parties covered in the register maintained under section 189 of the Companies Act, 2013. According to the information and explanations given to us, the terms and conditions of the grant of such loans are not prejudicial to the interests of the company.

According to the information and explanations given to us, the principal amount of the loan along with interest in respect of loan granted to the Subsidiary Companies, except three subsidiaries, is repayable on call. The Subsidiaries have made repayments during the year as and when calls were made by the Company. In respect of three subsidiaries, the loan given by the company is subordinated to the secured loans from Banks and Financial Institutions availed by such subsidiaries and accordingly the obligation to repay does not arise during the pendency of said secured loans.

c) There is no overdue amount in respect of such loans granted to such companies.

4) According to the information and explanations given to us, the company has complied with the provisions of section 185 and section 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.

5) In our opinion and according to the information and explanations given to us, the company has not accepted deposits during the year and doesn't have any unclaimed deposits. Therefore, provisions of clause 3 (v) of the Order are not applicable to the company.

6) On the basis of records produced to us, we are of the opinion that, prima facie, the cost records prescribed by the Central Government under section 148 (1) of the Companies Act, 2013 have been maintained. We have not carried out a detailed examination of such accounts and records, as we are required to conduct only a general review of the cost records.

7)

a) According to the information and explanations given to us and as per the records produced by the company, the company is not regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employee's State Insurance, Income Tax, Value added Tax, Service Tax, and other material statutory dues applicable to it.

b) According to the information and explanations given to us and as per the records produced by the company, undisputed amounts payable in respect of Tax deducted at source, Service Tax, Value added Tax and Works Contract Tax, Provident fund & State Insurance and Professional Tax to the extent of Rs.4.11Crores (PY Rs.4.11 crores), Rs.12.14 Crores (PY Rs.12.14 Crores), Rs.1.24 Crores (PY Rs.1.24 Crores), Rs.0.50Crores (PY Rs.0.50 Crores) and Rs.0.18 Crores (PY Rs.0.18 Crores) respectively, were in arrears as at 31st March 2021, for a period of more than six months from the date they became payable.

c) According to the records of the Company and the information and explanation given to us, the dues of Income Tax/Tax deducted at source, which are in dispute, are as follows:-

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF MARG LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MARG Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2021:

There were delays in

a) Recording of expenses transactions met out of staff Imprest Advances and expenses incurred on behalf of Subsidiary Companies. The Internal Financial Controls were not operating effectively to this extent.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, *except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria*, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial

reporting were operating effectively as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 standalone Ind AS financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone Ind AS financial statements of the Company.

1 Corporate Information

MARG Limited (the Company) was incorporated on December 16, 1994. The registered office of the Company is located at Sri Sai Subhodhaya Apartments, No. 57/2B, East Coast Road, Thiruvanniyur, Chennai- 600 041. The Company is mainly engaged in the business of construction and real estate.

2 Significant accounting policies:

2.1 Statement of Compliance

This financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

2.2 Basis of preparation and presentation

This financial statements are prepared in accordance with Ind AS under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as a net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Revenue Recognition

Construction and Real Estate

In respect of property development and / or Construction contracts, the Company follows percentage completion method as per Ind AS 11 read with the Guidance Note on Accounting for Real Estate Transactions issued by the Institute of Chartered Accountants of India. The percentage of completion is stated on the basis of physical measurement of work actually completed/ actual cost incurred as compared to total estimated cost, at the balance sheet date, taking into account the contractual price and revision thereto. Losses on contracts are fully accounted for as and when incurred. Foreseeable losses are accounted for when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration. Expenditure incurred in respect of additional costs / delays are accounted in the year in which they are incurred. Claims made in respect thereof are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received from the client. Project Development Income is the fee charged to the customers on transfer of property in consideration of various services rendered by the Company for promoting the respective projects.

Dividend Income

Dividend income is recognized when the right to receive the payment is established.

Other Income

In respect of other incomes, accrual system of accounting is followed.

2.4 Foreign exchange translation and foreign currency transactions:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off to million).

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of Profit and Loss.

The exchange difference on restatement of long term receivables / payables from / to foreign operations that are considered as net investments in such operation are recognised in the statement of profit and loss in the separate financial statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate.

Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at the end of the respective month. All resulting exchange differences are

recognised in other comprehensive income till the disposal of the net investment.

2.5 Borrowing Costs:

Borrowing costs include interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are included in the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.6 Employee Benefits:

Provident Fund

Contribution to Provident fund (a defined contribution plan) made to Regional Provident Fund Commissioner are recognised as expense.

Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Compensated Absences

The employees are entitled to accumulate leave subject to certain limits, for future encashment, as per the policy of the Company.

The liability towards such unutilized leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognized in the Statement of Profit and Loss.

In respect of employees of overseas branch, end of service benefit is accrued in accordance with the terms of employment. Employees entitlements to annual leave and gratuity are recognized on actual basis and charged to the Statement of Profit and Loss.

2.7 Taxation

Income tax expense represents sum of the tax currently payable and deferred tax.

Current Tax:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws that have been enacted or substantively enacted by the end of the reporting period in the countries where the Company operates and generates taxable income.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax for the year

Current and deferred taxes are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2.8 Property, plant and equipment:

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment and Cost of major inspections is recognised in the carrying amount of property, plant and equipment as a

replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognised. For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per previous GAAP, accumulated depreciation and cumulative impairment on the transition date of April 1, 2016.

Property, Plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

2.9 Depreciation and Amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on Property, Plant and equipment and investment property have been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible Assets are amortised, on straight line method based on the useful life as assessed by the Management. The amortisation period and the amortisation method for an intangible asset is reviewed every year.

2.10 Investment property: Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of Investment property measured as per previous GAAP, accumulated depreciation and cumulative impairment on the transition date of April 1, 2016.

2.11 Intangible Assets:

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. The estimated useful life and amortization method reviewed at the

end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.12 Inventories:

Raw Materials:

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realisable value, whichever is lower. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

Work in Progress:

Work-in-Progress is valued at the contracted rates less profit margin / estimates.

Properties Under Development:

Properties under development are valued at cost or net realisable value, whichever is lower. Cost comprises all direct development expenditure, administrative expenses and borrowing costs.

2.13 Investments in Subsidiaries, Associates and Joint ventures:

On initial recognition, these investments are recognised at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

2.14 Provisions, Contingent Liabilities and Contingent Assets :

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are disclosed in the financial statements when flow of economic benefits is probable.

2.15 Financial instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

2.16 Financial assets

Financial asset is

1. Cash / Equity Instrument of another Entity,
2. Contractual right to -
 1. a) receive Cash / another Financial Asset from another Entity, or
 2. b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

2.17 Subsequent measurement of the financial assets**(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit and loss.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit and loss.

Financial liabilities

Financial liability is Contractual Obligation to

1. a) deliver Cash or another Financial Asset to another Entity, or
2. b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement of the financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer

qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

2.18 Impairment of Assets:**Intangible assets and property, plant and equipment:**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.19 Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.20 Leases :

The Company is obligated under non-cancelable leases for office and residential space that are renewable on a periodic basis at the option of both the lessor and lessee. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

The Company leases office facilities and residential space/facilities under cancelable operating lease agreements. Assets subject to operating leases are included under fixed assets or current assets as appropriate. Lease income is recognized in the profit and loss account on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the profit and loss account.

2.21 Earnings Per Share :

Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.

2.22 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.23 Critical judgements in applying accounting policies:

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statement.

(i) Revenue recognition: The Company uses the stage of completion method using survey method and /or on completion of physical proportion of the contract work to measure progress towards completion in respect of construction contracts. This method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labour costs and productivity efficiencies. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to

revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

ii) Key sources of estimation uncertainty: The following are the key assumptions concerning the future

Inter-company balances

The Company has transactions with its subsidiaries and associates. The financial statements have been prepared on the assumption that the net effect of these transactions will be realised over time.

2.24 Exceptional Items:

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.25 Operating cycle:

The Company adopts operating cycle based on the project period and accordingly all project related assets and liabilities are classified into current and non current. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

2.26 Recent accounting pronouncements:

Standards issued but not yet effective and not early adopted by the Company:

Ind AS 115, "Revenue from Contracts with Customers"

Ind AS 115 was notified on March 28, 2018 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. Either a full retrospective application or a modified retrospective application is required for annual periods beginning on or after April 01, 2018. Based on an initial assessment, the Company is of the opinion that the implementation of Ind AS 115 will not have a significant impact on the financial statements of the Company.

Other amendments:

On March 28, 2018, the MCA, issued certain amendments to Ind AS. The amendments relate to the following standards:

- Ind AS 40, Investment Property
- Ind AS 21, The Effects of Changes in Foreign Exchange Rates
- Ind AS 12, Income Taxes
- Ind AS 28, Investments in Associates and Joint Ventures
- Ind AS 112, Disclosure of Interests in Other Entities

These amendments are effective from April 01, 2018. The Company believes that the aforementioned amendments will not materially impact the financial statements of the Company.

Notes To The Financial Statements

Note 28

- a) The Company did not provided for interest for the year ended 31st March, 2021 on certain loans that are assigned to ARC, the management states that its negotiating with the ARC for revised terms and conditions and seeking for concession in terms of waiver/reduced rate of interest. Hence, the management is of the opinion considering such concessions it is appropriate not to charge an interest for the year ended 31st March 2021.
- b) The outbreak of COVID-19 pandemic and the resulting lockdown across the world has affected the Company's operations for the quarter / year ended March 31, 2021. Accordingly, the Company has considered the possible effects that may result from the pandemic on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. The Company has evaluated its liquidity position, recoverability of such assets and based on current estimates expects the carrying amount of these assets will be recovered. The Company has estimated its liabilities in line with the current situation. The Company has considered internal and external information upto the date of approval of these financial results. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results. The Company will continue to closely monitor any material changes to future economic conditions. The impact on our future business would depend on future developments that cannot be reliably predicted at this stage.

Note 29 BORROWINGS FROM BANKS AND OTHERS:

- a) The Cash credit, WCTL, FITL and other facilities provided by the consortium comprising of Indian Bank, Allahabad Bank, Oriental Bank of Commerce and Indian Overseas Bank are transferred to Edelweiss Asset Reconstruction Company Limited (ARC) on various dates. The outstanding balance in respect of these loans as per EARC Sanction amounts to Rs 904.63 Crs as on 31st March, 2021 in respect of these loans are included in 'Current borrowings' in Note 23. The company didn't provide for Interest on these loans during the year as explained in Note 28. However As per 12A proposal Rs.550 Crores has been submitted which was approved by 95.96% COC members for all the exposure EARC has in Marg Limited and Marg Properties Limited.
- b) The South Indian Bank has assigned to EARC and who's outstanding claimed by EARC is Rs 14.51 Crores. The Company did not provide interest during the year as explained in Note 28 & 29A. For recovery of the Outstanding they have approached multiple Legal forum.
- c) State Bank of Mauritius Limited had assigned to the loan to Pegasus Assets Reconstruction Private Limited ('the ARC'). Since the revised terms of restructure with the ARC is yet to be finalised, the outstanding amount of Rs 20.81 Crores is included in Current borrowings in Note 23. The Company did not provide interest during the year as explained in Note 28. Subsequently, the ARC has issued notice under SARFAESI Act. However As per 12A proposal Rs.8.18 Crores has been submitted which was approved by 95.96% COC members.
- d) The Term loan sanctioned by Punjab National Bank was assigned to Edelweiss Asset Reconstruction Private Limited (ARC). The outstanding amount as per EARC is Rs 44.61 Crores are included in Current borrowings in Note 23. The company didn't provide for Interest on this loan during the year as explained in Note 28 & 29A.
- e) SICOM Limited has given One time sanction for Rs 39.48 Crores of which of Rs 10 Crores settled. Sicom had pursued legal steps for recovery of balance amount. Due to real estate market situation , we are finding difficult to liquidate. However As per 12A proposal Rs.20 Crores has been submitted which was approved by 95.96% COC members.
- f) IFCI Venture Capital Funds Ltd has recalled the term loan and issued possession notice under SARFAESI Act to the company in respect of outstanding dues, however we have not received confirmation of balance for Mar 2021. For recovery of the Outstanding they have approached multiple Legal forum. However OTS was sanctioned for Rs.17.33 Crores of which Rs.1.74 Crores 10% advance was paid besides approx Rs.1.3633 Crores liquidation of 3 assets.
- g) SREI has approached Arbitration which is under persual. Their Claim amount is challenged by the company hence the outstanding as per books is only a notional until actual liability ascertained and awarded by the tribunal. However As per 12A proposal Rs.14.56 Crores OTS has been submitted which was approved by 95.96% COC members.
- h) However as per 12 A proposal which was approved by 95.96% COC members, due to COVID impact the timelines were missed hence company is now approaching NCLT for a approval for 2 years moratorium from respective scheduled timeline as RBI themselves has permitted too many.

MARG LIMITED**Notes To The Financial Statements****Note 30 PREPARATION OF FINANCIAL STATEMENTS ON 'GOING CONCERN' BASIS:**

a) ICICI, Financial Creditor, file a petition u/s 7 of Insolvency and Bankruptcy Code, 2016 against the company. The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the company under I&B Code 2016 in NCLT Order No. CP/541/(IB)/2018 dated 28th May, 2019. The NCLT has appointed Mr K.Vasudevan as Interim Resolution Professional (IBBI/IPA-001/IP-P00155/2017-18/10324) vide order dated 28/05/2019. The public notice given on 31.05.2019.

b) Pursuant to Section 17 of the IBC, 2016 the powers of Board of directors has been suspended and vested with IRP.

c) The Committee of Creditors (COC) has been Constituted u/s 21 of IBC 2016 and first meeting of the COC is scheduled and held on 19th August, 2019. Appellant-Promoter of the 'Corporate Debtor' submitted that the Appellant has settled the matter in terms of Section 12A of the 'I&B Code'. Committee of Creditors by majority voting share of 95.96% has approved the 'Terms of Settlement' made under Section 12A of the 'I&B Code. ICICI Bank Limited' (Financial Creditor) accepts that by majority voting share of 95.96%, the 'Committee of Creditors' has approved the 'Terms of Settlement' under Section 12A. Therefore, the 'ICICI Bank Limited' has moved the application before the Adjudicating Authority for withdrawal of application filed under Section 7 of the 'I&B Code'. NCLAT allowed the prayer made by 'ICICI Bank Limited' (Applicant of Section 7 of the I&B Code) to withdraw the petition filed under Section 7 of the I&B Code. In the result, the impugned order dated 28th May, 2019 for initiating the 'Corporate Insolvency Resolution Process' is set aside along with consequential steps taken. NCLAT ordered on 30.09.2019 that application under Section 7 filed by the 'ICICI Bank' is disposed of as withdrawn. The 'Corporate Debtor' is released from all rigour of law. The 'Resolution Professional will hand over the assets and documents to the 'Corporate Debtor' through Promoter. The 'Corporate Debtor' is directed to pay the stakeholders/creditors in terms of settlement reached under Section 12A within the period as approved by the 'Committee of Creditors failing which it will be open to the 'ICICI Bank' to file application for recall of this order and revival of 'Corporate Insolvency Resolution Process' against the 'Corporate Debtor'.

Company has settled ICICI as per 12A proposal and ICICI has also filed their entire loan discharge obligation in ROC on 23rd Jan'20 against Marg Limited and Marg Properties Limited

d) The Company has recorded a Net loss of Rs.3.12 Crores for the year ended 31st March 2021, Rs.13.19 Crores for the year ended 31st March 2020, Rs.17.58 Crores for the year ended 31st March 2019, Rs.12.85 Crores for the year ended 31st March 2018, Rs.26.89 Crores for the year ended 31st March, 2017, Rs 16.98 Crores for the year ended 31st March, 2016, Rs 172.45 Crores for the year ended 31st March, 2015, Rs 263.82 Crores for the year ended 31st March, 2014 and Rs 36.04 Crores for the year ended 31st March, 2013. The Company has defaulted in the payments due to Banks, Financial Institutions and others towards principal and interest, statutory dues and payment to vendors. Further there were lower cash inflows from existing projects and some creditors have filed winding up petitions against the company. Management is confident that the Company will be able to generate profit and cash in future years and meet its financial obligation as they arise. The financial statements have been prepared on a going concern basis based on cumulative input of the following business potential and mitigating factors:

e) The EPC division of the Company- has local and international bids are being planned leveraging the experience gained through execution of Marine, Infrastructure and Industrial EPC.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

The company's focus is to estimate a vulnerability of financial risk and to address the issue to minimize the potential adverse effects of its financial

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk on trade receivables, is limited as the customers of the company mainly consists of the Government promoted entities having a strong credit worthiness.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

c) Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

Foreign Currency risk is the risk that fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rate.

The Company is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant variable interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal.

iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and its associates, *except for the effects of the matter described in the Basis for Qualified Opinion section in our report*, the aforesaid consolidated Ind As financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at 31st March, 2021, of consolidated loss, (consolidated changes in equity) and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

1) The Audit report of Marg Limited, Holding company, has been qualified by us as follows;

a) Attention is invited to Note 30a&31(1)a; the company has not provided for interest for the year ended 31st March, 2021 on certain loans that are assigned to Asset Reconstruction Companies (ARCs), which in our opinion, the Company has not followed accrual system of accounting and Disclosure of accounting policy is not in accordance with Ind AS 1- Presentation of Financial Statement to this extent. The Company has executed a Restructuring plan with Edelweiss Asset Reconstruction Company Ltd (EARC) for loans assigned to EARC and the same will be finalised only on signing of definitive agreement and fulfilment of conditions precedent in the settlement plan. We are unable to comment upon the settlement of finance cost on the aforesaid loans and carrying value of the aforesaid loans and the consequential impact, if any that may arise on the above said matters.

b) Attention is invited to Note 36; The Company has not provided for Rs.9.71 Crores relating to work in progress for EPC work done which remain unbilled as on 31st March, 2021 and Management fee of Rs.12.22 Crores not acknowledged by one of its erstwhile subsidiary, Karaikal Port Private Limited. Consequently, the loss for the year ended 31st March, 2021 are understated by Rs.21.93 Crores Accumulated Reserves and

Current assets as on 31st March, 2021 are overstated by the same amount. This matter was also qualified in our report for the year ended 31st March, 2020.

c) Attention is invited to Note 38; Regarding confirmation/reconciliation of some of the equipment loans availed by the company, which was not obtained/carried out for the balances as on 31st March, 2021. The differences arising out of the reconciliation, if any, together with the unreconciled amount of Rs. 6.52 Cr relating to the same loan accounts as on 31st March, 2016 continues to be unascertained for the year ended 31st March, 2021. Such differences, if any, will impact the losses for the year ended 31st March, 2021, accumulated revenue reserves and balances of such loan accounts as on 31st March, 2021.

d) Attention is invited to Note.32(II) Of the Financial Statement, Phoenix ARC Private Limited, Financial Creditor, filed a petition u/s 7 of the Insolvency and Bankruptcy Code, 2016 against one of its subsidiary company M/s. New Chennai Township Private Limited (Corporate Debtor) with National Company Law Tribunal (NCLT). The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the said company under I&B Code 2016 in NCLT Order No. CP/636/IB/CB/2017 dated 5th July, 2019. The NCLT has appointed Mr. L K Sivaramakrishnan as Interim Resolution Professional (IRP) vide order dated 5th July, 2019. Mr. L K Sivaramakrishnan has assumed the status of Interim Resolution Professional (IRP) and issued a public notice on 8th July, 2019. Pursuant to Section 17 of the IBC, 2016 the power of Board of directors has been suspended and vested with IRP. The Resolutions Professional had formed Committee of Creditors (COC). The COC discussed the need for extension of Corporate Insolvency Resolution Process in the 06th COC meeting. After a detailed deliberation, the COC informed that since there were no viable Resolution Plan and put of the resolution for voting to file an application under Section 33(1)(a) read with Section 33(2) to initiate liquidation proceeding against the Corporate Debtor under Insolvency and Bankruptcy Code 2016. The Resolution professional has filed an application for passing an order of liquidation in the light of the final decision taken by CoC of the Corporate Debtor. During 8th COC meeting held on 17th June 2021, COC members has discussed various proposal received and also enquired about proposal from promoters and agreed to submit revised 12A proposal. COC has informed Resolution Professionals to check with Hon'ble NCLT whether liquidation application can be withdrawn or take shelter under RBI moratorium period. The Consolidated Ind AS financial statements include Property, Plant & Equipment of Rs. 136.18 Crores(P.Y Rs. 139.38 Crores), other current assets of Rs. 796.95 Crores(P.Y Rs. 795.98 Crores), Non-Current asset of 7.12 Crores (P.Y 7.05 Crores) Non-Current Liabilities of Rs. 17.24 Crores(P.Y 17.28 Crores), Current Liabilities of Rs. 1273.67 Crores(P.Y Rs. 1272.89 Crores) as on 31st March, 2021, Turnover of Rs. 2.72 Crores(P.Y Rs. 1.46 Crores), Net Loss of Rs. 2.96 Crores(P.Y Rs. 5.11 Crores) for the year ended 31st March, 2021 in respect of this company.

e) Attention is invited to Note. 33(5)a, Tata Capital Financial Services limited, Financial Creditor, filed a petition u/s 7 of Insolvency and Bankruptcy Code, 2016 against one of the Subsidiary Company M/s. Arohi Infrastructure Private Limited. The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the said company under I&B Code 2016 in NCLT Order No. CP/672/(IB)/2017 dated 20th March, 2018. The NCLT has appointed Mr S. Rajendran as Interim Resolution Professional (IRP) vide order dated 20/03/2018. Mr S. Rajendran has assumed the status of Resolution Professional (RP) on said date and issued a public notice on 23/03/2018. Pursuant to Section 17 of the IBC, 2016 the power of Board of directors has been suspended and vested with IRP. Further the resolution plan could not be submitted within the prescribed time allowed. NCLT has passed an order on 05th December 2018 to liquidate Arohi Infrastructure Private Limited and appointed Mr S. Rajendran as Liquidator. The Promoter has identified an Investor and submitted a settlement proposal. The identified investor has made an upfront payment of Rs.1.80 Crores to show its bonafide interest in the settlement proposal. Joint Memo has been filed by the Financial Creditor and Promoter for an adjournment on 22nd June 2021. The Consolidated Ind AS financial statements include Property, Plant & Equipment of Rs. 2.46 Crores (P.Y Rs. 2.46 Crores), other Non-current assets of Rs. 50.00 Crores (P.Y Rs. 50.00 Crores), other current assets of Rs. 0.27 Crores (P.Y Rs. 0.27 Crores), Current Liabilities of Rs. 80.16 Crores (P.Y Rs. 80.16 Crores) as on 31st March, 2021, Turnover of Rs. Nil (P.Y Rs. Nil), Net Loss of Nil (P.Y Nil) for the year ended 31st March, 2021 in respect of this company.

f) Reference to above said point no. d) and e) above and reference is drawn to note No. 32 & 33, of the accompanying consolidated financial results stating therein that the Holding Company has consolidated the financial performance and financial position in respect of these specified entities. These financial statements are unaudited and have been furnished to us by the Holding Company Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Holding Company Management, this financial statements / financial information are material to the Group.

However, this is contrary to the provisions of Ind AS 110 'Consolidated Financial Statements' with regard to requirement of consolidation and de-recognition of assets and liabilities of the above said two subsidiaries namely New Chennai Township Private Limited and Arohi Infrastructure Private Limited.

g) The company has considered M/s Future Parking Private Limited as its subsidiary and accordingly made disclosures in the Ind AS financial statements for the year ended 31st March, 2021. Due to change in control and management of M/s Future Parking Private Limited the said company ceased to be a subsidiary of the company as per Ind AS 110 regardless of shareholding of 51%, further as per the audited financial

statements of M/s Future Parking Private Limited, it has not recognised Marg Limited as its Holding Company for the year ended 31st March 2021. This is contrary to the provisions of Ind AS 110 'Consolidated Financial Statements' with regard to requirement of consolidation. Hence, in our opinion the disclosures made in the Consolidated Ind AS financial statements are not in accordance with Indian Accounting Standard 24- "Related Party Disclosures" and Schedule III of the Act. The Consolidated Ind AS financial statements include Property, Plant & Equipment of Rs. 24.76 Crores (P.Y Rs. 27.74 Crores), Other Non-current Assets of Rs.0.84 Crores (P.Y Rs.0.80), other current assets of Rs. 3.88 Crores (P.Y Rs. 2.87 Crores), Non-Current Liabilities of Rs.35.87 Crores (P.Y 35.83 Crores), Current Liabilities of Rs. 1.32 Crores (P.Y Rs. 1.29 Crores), Minority Interest of Rs. (3.78) Crores (P.Y Rs. (2.79) Crores) as on 31st March, 2021, Turnover of Rs. 3.39 Crores (P.Y Rs. 3.59 Crores), other income of Rs.1.16 Crores (P.Y 1.17 Crores), Net Loss of Rs. 2.00 Crores (P.Y Rs. 1.54 Crores) for the year ended 31st March, 2021 in respect of this company.

h) The Company has investment in Karaikal Port Private Limited (unquoted equity shares) with a carrying value at cost of Rs. 249.79 Crores. The Company has not done fair valuation of this investment as required by Ind AS 109 "Financial Instrument". In the absence of fair valuation report, we are unable to comment on the impact if any, on this investment for the year ended March 31, 2021. The Company has accumulated losses and net worth has been fully eroded, the Company has incurred loss during current and previous financial periods, the Company's current liabilities exceeded its current assets as on 31st March 2021, which indicates the existence of material uncertainty that may cast a significant doubt about the company's ability to continue as going concern. On 21 March 2015 Indian Bank, in their capacity as lead consortium banker, invoked the share pledge and transferred the underlying 164,492,000 equity shares and 37,900,000 Compulsorily Convertible Preference Shares placed by Marg Limited as collateral security towards the term loans taken by the Company on account of repayments defaults. Consequently, the percentage holding of Marg Limited in the equity share capital of the Company has reduced to 7.70%. However, pursuant to a court order, there prevails a restriction on any further transfer of such shares by Indian Bank. The Company has not passed any entry for the financial effects in the books of accounts in respect of the above transfer of shares.

i) The company did not obtain/ receive balance confirmation from Banks/ARCs, most of the customers/creditors and other parties including loans and advances other than related parties for the balances as on 31st March, 2021. Hence, we could not obtain external confirmations as required in SA-505, Standards on Auditing and are unable to comment on adjustments or disclosures, if any, that may arise.

j) The Holding and Subsidiary Companies did not obtain / receive statements, balance confirmation for most of current and other accounts maintained with various banks. The Subsidiary companies bank the accounts were attached by Income Tax Investigation Wing during search conducted at the various premises/sites of the Holding company in the

financial year 2017-2018. The Holding and Subsidiary companies have taken steps to lift the bank attachment.

k) The audit report of subsidiary companies Marg Properties Limited, Riverside Infrastructure (India) Private Limited, Sarang Infradevelopers Private Limited, Magnumopus Infradevelopers Private Limited is qualified by us. These companies didn't obtain/ receive balance confirmation from Banks/ARCs, most of the customers/creditors and other parties for the balances as on 31st March, 2021. Hence, we could not obtain external confirmations as required in SA-505, Standards on Auditing and are unable to comment on adjustments or disclosures, if any, that may arise.

l) The Audit report of Mukta Academic Institutions Private Limited, subsidiary company, has been qualified by us as the company has not provided for impairment loss of Rs.7.70 Crores (PY Rs.7.70 Crores) on land held as on 31st March, 2021, which is not in accordance with Ind AS 36 "Impairment of assets". Consequently, the assets are overstated by Rs.7.70 Crores (PY Rs.7.70 Crores) and loss for the year and the accumulated losses are understated by Rs.7.70 Crores (PY Rs.7.70 Crores) as on 31st March, 2021. This matter was also qualified in our report for the year ended 31st March, 2020.

m) The Audit report of Riverside Infrastructure (India) Private Limited, Subsidiary Company, has been qualified by us; Attention is invited to Note 40, regarding suspension of project of the company. The company has capitalized other expenses of Rs. 0.33 Crores (PY Rs. 0.82 Crores) during the year ended 31st March, 2021, which is not in accordance with Ind AS-16 "Property Plant and Equipment" respectively. Accordingly, the assets of the company are overstated by Rs 0.33 Crores (PY Rs. 0.82 Crores) as on 31st March, 2021 and loss for the year ended 31st March, 2021 and the accumulated losses are understated by Rs. 0.33 Crores (PY Rs. 0.82 Crores). This matter was also qualified in our report for the year ended 31st March, 2020.

n) No provision is made for the liability, if any, towards the interest payable to vendors under Micro, Small and Medium Enterprises Development Act 2006. The impact on non-provision of such interest on the financial statements/ results cannot be quantified due to lack of the required information.

o) Reference is drawn to our remarks in Para (b) under other matters below with respect of non-audit of certain subsidiary companies and associate company. As mentioned below, these financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these companies is based solely on such unaudited financial statements. Considering the materiality involved of these financial statements, we are unable to ascertain whether if these financial statements would have been audited, the impact of these financial statements would have materially impacted the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the

consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we have determined that there are no key audit matters to communicate in our report.

Emphasis of Matters

Without qualifying our opinion, we draw attention to the following notes to consolidated Ind AS financial statements:

1. Note 32 of Consolidated Financial Statement, which indicates that the Group has negative net worth as at March 31, 2021. Further, it has incurred net cash losses for the year ended 31st March 2021 and in the immediately preceding financial year and the net working capital of the Group continues to be negative. The revenue of the Group has declined sequentially resulting in negative EBITDA for the quarter and year ended March 31, 2021. Further, the Company and few of its subsidiaries have continuously defaulted in repayment of borrowings including interest from Banks and financial institutions. The Group has obligations pertaining to operations including unpaid creditors and statutory dues, these matters require the Group to generate additional cash flows to fund the operations as well as other statutory obligations. These indicate the existence of a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern.

2. Attention to Note 32(V), Marg Trading & Pte Ltd, the foreign subsidiary of Marg Limited has been deregistered by the Accounting and Corporate Regulatory Authority (ACRA) on account of non-compliance of filing annual returns with ACRA. The Consolidated Ind AS financial statements include Current assets of Rs. 52.88 Crores (P.Y Rs. 54.43 Crores), Current Liabilities of Rs.53.39 Crores (P.Y Rs. 54.96 Crores) as on 31st March 2021, Turnover & Net Loss of Rs. Nil (P.Y RS.Nil) for the year ended 31st March, 2021 in respect of this company.

3. The Marg International Dredging Pte Ltd, foreign subsidiary of Marg Limited. The Consolidated Ind AS financial statements include Property, Plant & Equipment of Rs. 92.37 Crores (P.Y Rs. 94.27 Crores), other current assets of Rs. 46.07 Crores (P.Y Rs. 47.42 Crores), Current Liabilities of Rs. 233.97 Crores (P.Y Rs. 240.83 Crores) as on 31st March, 2021, Turnover of Rs. Nil (P.Y Rs.Nil) , Net Loss of RS.4.78 Crores (P.Y Rs. 4.88 Crores) for the year ended 31st March, 2021 in respect of this company. We are unable to comment upon the impact if any, on the investments in, advances given to these subsidiaries. These financial results are un-audited and have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, is based solely on such management certified financial statements / financial information / financial results and consequently, we are unable to comment on adjustments that may have been required to the consolidated audited financial statements, had such financial statements/ financial information/ financial results been audited.

4. Note no: 31(1), The company has signed settlement plan with Edelweiss Asset Reconstruction Company Ltd (ARC) (Acting as Trustee of EARC Trust) for various group of loans assigned to the above said ARC for repayment of principal dues of Rs.540 Crores as Sustainable Debt over a period of 3 years from the date of signing this settlement letter by disposing of various assets. Out of Unsustainable portion of Rs.423.74 Crores, Rs.100/- Crores shall be converted to 24.99% of Equity shares of the Company. Remaining Unsustainable portion shall be written-off over the period in the same proportion of payment of Sustainable Debt. Marg Ltd has allotted Equity shares 1,26,99,533 nos. equivalent to Rs. 78.33 Crores to various Edleweiss Trustson 28th September, 2018 based as a part of condition precedent of settlement plan signed with Edelweiss Asset Reconstruction Company Ltd (EARC). Edleweiss Asset Reconstruction Company ltd had subsequently withdrawn the settlement plan executed with Marg Ltd on account of non-fulfillment of conditions precedent to the settlement plan. The Holding Company has yet to execute Master Reconstructing Agreement with Edleweiss Asset Reconstruction Company. However, the Company has submitted 12A proposal during CIRP and 95.96% of COC members have accepted the proposal for settlement of Rs.550/- Crores.

5. The company has considered M/s Marg Sri Krishnadevaraya Airport Private Limited as its subsidiary as per Ind AS 110 by virtue of exercising control and management of the said subsidiary and accordingly made disclosures in the Ind AS financial statements for the year ended 31st March, 2021. The company has shown the amount received of Rs.0.74 Lakhs from VDB Projects Private limited is treated as Advance for the year ended 31st March 2021.

6. Note 33, regarding property of the subsidiary companies audited by us, mentioned in the said note, provided as security for various loans taken by other companies. The Ind AS financial statements of those subsidiaries have been prepared on a going concern basis after giving due considerations to matters more fully explained in aforesaid note.

7. Note 34, regarding investments in and advances and receivables due from some of its subsidiaries aggregating to Rs. 1,230.7 Crores (PY Rs.1,231.9 Crores) as on 31st March, 2021. No provision for diminution/recoverability is considered necessary for reasons stated therein.

8. Note 41, regarding deductions made/amount withheld by some customers aggregating to Rs.0.93 Crores (PY Rs.1.06 Crores) which are being carried as trade receivables. The company is also carrying work-in-progress/inventory of Rs.20.23 Crores (PY Rs.20.23 Crores) and assets withheld at site of Rs. 7.03 Crores (PY Rs.7.03 Crores) relating to these customers. These balances are subject matter of Arbitration and ultimate outcome of the above matters cannot presently be determined. However, the Company is of the view that such amounts are recoverable and hence no provision is required there against.

9. We draw attention: Some of customers of Marg Properties Limited, subsidiary of Marg Ltd had filed case against the Subsidiary company with Tamilnadu Real Estate

Regulation Authority (TNRERA) for refund of money paid along with interest and incidental Claims and TNRERA has ordered infavour of Customers to refund advance money received alongwith Interest and incidental expenses. The said subsidiary company has not made provision for the said claims. The impact on non-provision of such interest and incidental claims on the financial statements/ results cannot be quantified due to lack of the required information. However, the Company is in the process of filing an appeal against the said orders

10. We draw attention to Note 30(b) to the accompanying financial results, which describes the management's evaluation of Covid-19 impact on the future business operations and future cash flows of the Group. In view of the uncertain economic conditions, the management's evaluation of the impact on the subsequent periods is highly dependent upon conditions as they evolve. Our opinion is not modified in respect of this matter.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS financial statements doesn't cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated Ind As financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates

and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditors Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

a) We did not audit the financial statements / financial information of 3 subsidiaries, whose financial statements reflect total assets (net) of Rs. 20.98 Crores as at 31st March, 2021, total revenues of Rs. 5.87 Crores for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

b) We did not audit the financial statements / financial information of 3 subsidiaries, whose financial statements reflect total assets (Net) of Rs. (446.68) Crores as at 31st March, 2021, total revenues of Rs. 2.72 Crores for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, this financial statements / financial information are material to the Group.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations, except for the matters described in the Basis of qualified opinion paragraph, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

(b) In our opinion, except for the matters described in the Basis of qualified opinion paragraph, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the statement of other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant

ANNEXURE A**TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF MARG LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2021, We have audited the internal financial controls over financial reporting of Marg Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary companies, and its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the ICAI) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of

internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit of the Holding Company, the following material weaknesses have been identified as at March 31, 2021:

- 1) There were delays in
 - a) Recording of expenses transactions met out of staff Imprest Advances. The Internal Financial Controls were not operating effectively to this extent.

2) As mentioned in para (O) of the Basis of qualified opinion in the main report, with respect to subsidiary companies and associate company incorporated in India that are unaudited as on the date of this report, we are unable to obtain sufficient appropriate evidence to provide a basis for our opinion whether the internal financial controls over financial reporting were adequate and operating effectively as on 31st March, 2021.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 3 subsidiary companies which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

1. Corporate Information

MARG Limited (the Company) was incorporated on December 16, 1994. The registered office of the Company is located at Sri Sai Subhodhaya Apartments, No.57/2B, East Coast Road, Thiruvanmiyur, Chennai- 600 041.. The Company is mainly engaged in the business of construction and real estate.

2. Significant accounting policies:

2.1 Statement of Compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

2.2 Basis of preparation and presentation

These consolidated financial statements are prepared in accordance with Ind AS under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as a net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Basis of consolidation

These consolidated financial statements incorporate the financial statements of the Company and entities controlled by the parent Company and its subsidiaries. Control is achieved when the Company:

- Has power over the investee;
- Is exposed, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceased to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the shareholders of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the shareholders of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Principles of Consolidation:

The consolidated financial statements have been prepared on the following basis:

Non-controlling interests in the net assets of consolidated subsidiaries consists of:

- i) The amount of equity attributable to Non- controlling holders at the date on which investment in a subsidiary is made; and
- ii) The Non-controlling holders share of movements in the equity since the date the parent subsidiary relationship came into existence.

The Group consolidates entities which it owns or controls. The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as disclosed in Note 54. Subsidiaries are consolidated from the date control commences until the date control ceases. Subsidiaries companies are consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and resulting unrealized

profits or losses on intra-group transactions as per Indian Accounting Standard 110.

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

A Joint Venture is a joint arrangement whereby the parties that have joint control of the arrangement, have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control. Investments in Joint Venture are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in joint venture includes goodwill identified on acquisition.

The financial statements of the Subsidiaries, Joint ventures and the Associates used in the consolidation are drawn up to the same reporting date as that of the Company, i.e. March 31, 2018 except one associate.

The excess of cost to the Group, of its investment in the subsidiaries over the Group's share of equity is recognised in the consolidated financial statements as Goodwill and tested for impairment annually.

Non-controlling interests in the net assets of the consolidated subsidiaries is identified and presented in consolidated balance sheet under the Total Equity group.

The consolidated financial statements have been prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements.

The Subsidiaries and Associate Companies are considered for consolidated financial statements are given in Note No. 54

2.4 Revenue Recognition

Construction and Real Estate

In respect of property development and / or Construction contracts, the Company follows percentage completion method as per Ind AS 11 read with the Guidance Note on Accounting for Real Estate Transactions issued by the Institute of Chartered Accountants of India. The percentage of completion is stated on the basis of physical measurement of work actually completed/ actual cost incurred as compared to total estimated cost, at the balance sheet date, taking into account the contractual price and revision thereto. Losses on contracts are fully accounted for as and when incurred. Foreseeable losses are accounted for when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration. Expenditure incurred in respect of

additional costs / delays are accounted in the year in which they are incurred. Claims made in respect thereof are accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance received from the client. Project Development Income is the fee charged to the customers on transfer of property in consideration of various services rendered by the Company for promoting the respective projects.

Dividend Income

Dividend income is recognized when the right to receive the payment is established.

Other Income

In respect of other incomes, accrual system of accounting is followed.

2.5 Foreign exchange translation and foreign currency transactions:

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off to million).

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of Profit and Loss.

The exchange difference on restatement of long term receivables / payables from / to foreign operations that are considered as net investments in such operation are recognised in the statement of profit and loss in the separate financial statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate.

Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at the end of the respective month. All resulting exchange differences are recognised in other comprehensive income till the disposal of the net investment.

2.6 Borrowing Costs:

Borrowing costs include interest and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are included in the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended

periods when active development activity on the qualifying assets is interrupted.

2.7 Employee Benefits:

Provident Fund

Contribution to Provident fund (a defined contribution plan) made to Regional Provident Fund Commissioner are recognised as expense.

Defined Benefit Plans

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Compensated Absences

The employees are entitled to accumulate leave subject to certain limits, for future encashment, as per the policy of the Company.

The liability towards such unutilized leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognized in the Statement of Profit and Loss.

In respect of employees of overseas branch, end of service benefit is accrued in accordance with the terms of employment. Employees entitlements to annual leave and gratuity are recognized on actual basis and charged to the Statement of Profit and Loss.

2.8 Taxation

Income tax expense represents sum of the tax currently payable and deferred tax.

Current Tax:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws that have been enacted or substantively enacted by the end of the reporting period in the countries where the Company operates and generates taxable income.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible

temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax for the year

Current and deferred taxes are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2.9 Property, plant and equipment:

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment and Cost of major inspections is recognised in the carrying amount of property, plant and equipment as a replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognised. For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per previous GAAP, accumulated depreciation and cumulative impairment on the transition date of April 1, 2016.

Property, Plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and are disclosed separately.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference

between the sale proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

2.10 Depreciation and Amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value.

Depreciation on Property, Plant and equipment and investment property have been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible Assets are amortised, on straight line method based on the useful life as assessed by the Management. The amortisation period and the amortisation method for an intangible asset is reviewed every year.

2.11 Investment property: Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of Investment property measured as per previous GAAP, accumulated depreciation and cumulative impairment on the transition date of April 1, 2016.

2.12 Intangible Assets:

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. The estimated useful life and amortization method reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.13 Inventories:

Raw Materials:

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realisable value, whichever is lower. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

Work in Progress:

Work-in-Progress is valued at the contracted rates less profit margin / estimates.

Properties Under Development:

Properties under development are valued at cost or net realisable value, whichever is lower. Cost comprises all direct development expenditure, administrative expenses and borrowing costs.

2.14 Investments in Subsidiaries, Associates and Joint ventures:

On initial recognition, these investments are recognised at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

2.15 Provisions, Contingent Liabilities and Contingent Assets :

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. A disclosure for Contingent liabilities is made in the notes on accounts when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Contingent assets are disclosed in the financial statements when flow of economic benefits is probable.

2.16 Financial instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

2.17 Financial assets

Financial asset is

1. Cash / Equity Instrument of another Entity,
2. Contractual right to -
 1. a) receive Cash / another Financial Asset from another Entity, or
 2. b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

2.18 Subsequent measurement of the financial assets

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit and loss.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit and loss.

Financial liabilities

Financial liability is Contractual Obligation to

1. a) deliver Cash or another Financial Asset to another Entity, or
2. b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement of the financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

2.19 Impairment of Assets:**Intangible assets and property, plant and equipment:**

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.20 Fair value measurement

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.21 Leases :

The Company is obligated under non-cancelable leases for office and residential space that are renewable on a periodic

basis at the option of both the lessor and lessee. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

The Company leases office facilities and residential space/facilities under cancelable operating lease agreements. Assets subject to operating leases are included under fixed assets or current assets as appropriate. Lease income is recognized in the profit and loss account on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the profit and loss account.

2.22 Earnings Per Share :

Basic earnings per equity share is computed by dividing the net profit for the year attributable to the Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year, adjusted for the effects of dilutive potential equity shares, attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti-dilutive.

2.23 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.24 Critical judgements in applying accounting policies:

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statement.

(i) Revenue recognition: The Company uses the stage of completion method using survey method and /or on completion of physical proportion of the contract work to measure progress towards completion in respect of construction contracts. This method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labour costs and productivity efficiencies. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is

provided for in the period in which the loss becomes probable.

ii) Key sources of estimation uncertainty: The following are the key assumptions concerning the future

Inter-company balances

The Company has transactions with its subsidiaries and associates. The financial statements have been prepared on the assumption that the net effect of these transactions will be realised over time.

2.25 Exceptional Items:

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.26 Operating cycle:

The Company adopts operating cycle based on the project period and accordingly all project related assets and liabilities are classified into current and non current. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

2.27 Recent accounting pronouncements:

Standards issued but not yet effective and not early adopted by the Company:

Ind AS 115, "Revenue from Contracts with Customers"

Ind AS 115 was notified on March 28, 2018 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. Either a full retrospective application or a modified retrospective application is required for annual periods beginning on or after April 01, 2018. Based on an initial assessment, the Company is of the opinion that the implementation of Ind AS 115 will not have a significant impact on the financial statements of the Company.

Other amendments:

On March 28, 2018, the MCA, issued certain amendments to Ind AS. The amendments relate to the following standards:

- Ind AS 40, Investment Property
- Ind AS 21, The Effects of Changes in Foreign Exchange Rates
- Ind AS 12, Income Taxes
- Ind AS 28, Investments in Associates and Joint Ventures
- Ind AS 112, Disclosure of Interests in Other Entities

These amendments are effective from April 01, 2018. The Company believes that the aforementioned amendments will not materially impact the financial statements of the Company.

NOTE 30 :

- The Holding Company has not provided for interest for the year ended 31st March, 2021 on certain loans that are assigned to ARC. The Management considers it appropriate not to provide interest on such loans.
- a) The outbreak of COVID-19 pandemic and the resulting lockdown across the world has affected the Company's operations for the quarter / year ended March 31, 2021. Accordingly, the Company has considered the possible effects that may result from the pandemic on the carrying amounts of property, plant and equipment, investments, inventories, receivables and other current assets. The Company has evaluated its liquidity position, recoverability of such assets and based on current estimates expects the carrying amount of these assets will be recovered.
- b) The Company has estimated its liabilities in line with the current situation. The Company has considered internal and external information upto the date of approval of these financial results. The impact of COVID-19 on the Company's financial results may differ from that estimated as at the date of approval of these financial results. The Company will continue to closely monitor any material changes to future economic conditions. The impact on our future business would depend on future developments that cannot be reliably predicted at this stage.

NOTE 31 : BORROWINGS FROM BANKS AND OTHERS**1) Marg Limited**

NOTE 32 : PREPARATION OF FINANCIAL STATEMENTS ON 'GOING CONCERN' BASIS:**I) Marg Limited**

a) ICICI, Financial Creditor, file a petition u/s 7 of Insolvency and Bankruptcy Code, 2016 against the company. The NCLT has allowed the petition filed by financial creditor and ordered to commence corporate insolvency resolution process against the company under I&B Code 2016 in NCLT Order No. CP/541/(IB)/2018 dated 28th May, 2019. The NCLT has appointed Mr K.Vasudevan as Interim Resolution Professional (IBBI/IPA-001/1P-P00155/2017-18/10324) vide order dated 28/05/2019. The public notice given on 31.05.2019.

b) Pursuant to Section 17 of the IBC, 2016 the powers of Board of directors has been suspended and vested with IRP.

c) The Committee of Creditors (COC) has been Constituted u/s 21 of IBC 2016 and first meeting of the COC is scheduled and held on 19th August, 2019. Appellant-Promoter of the 'Corporate Debtor' submitted that the Appellant has settled the matter in terms of Section 12A of the 'I&B Code'. Committee of Creditors by majority voting share of 95.96% has approved the 'Terms of Settlement' made under Section 12A of the 'I&B Code. ICICI Bank Limited' (Financial Creditor) accepts that by majority voting share of 95.96%, the 'Committee of Creditors' has approved the 'Terms of Settlement' under Section 12A. Therefore, the 'ICICI Bank Limited' has moved the application before the Adjudicating Authority for withdrawal of application filed under Section 7 of the 'I&B Code'. NCLAT allowed the prayer made by 'ICICI Bank Limited' (Applicant of Section 7 of the I&B Code) to withdraw the petition filed under Section 7 of the I&B Code. In the result, the impugned order dated 28th May, 2019 for initiating the 'Corporate Insolvency Resolution Process' is set aside along with consequential steps taken. NCLAT ordered on 30.09.2019 that application under Section 7 filed by the 'ICICI Bank' is disposed of as withdrawn. The 'Corporate Debtor' is released from all rigour of law. The 'Resolution Professional will hand over the assets and documents to the 'Corporate Debtor' through Promoter. The 'Corporate Debtor' is directed to pay the stakeholders/creditors in terms of settlement reached under Section 12A within the period as approved by the 'Committee of Creditors failing which it will be open to the 'ICICI Bank' to file application for recall of this order and revival of 'Corporate Insolvency Resolution Process' against the 'Corporate Debtor'. Company has settled ICICI as per 12A proposal and ICICI has also filed their entire loan discharge obligation in ROC on 23rd Jan'20 against Marg Limited and Marg Properties Limited.

d) The Company has recorded a Net loss of Rs.3.12 Crores for the year ended 31st March 2021, Rs 13.19 Crores for the year ended 31st March 2020, Rs 17.58 Crores for the year ended 31st March 2019, Rs 12.85 Crores for the year ended 31st March 2018, Rs 26.89 Crores for the year ended 31st March, 2017, Rs 16.98 Crores for the year ended 31st March, 2016, Rs 172.45 Crores for the year ended 31st March, 2015, Rs 263.82 Crores for the year ended 31st March, 2014 and Rs 36.04 Crores for the year ended 31st March, 2013. The Company has defaulted in the payments due to Banks, Financial Institutions and others towards principal and interest, statutory dues and payment to vendors. Further there were lower cash inflows from existing projects and some creditors have filed winding up petitions against the company. Management is confident that the Company will be able to generate profit and cash in future years and meet its financial obligation as they arise. The financial statements have been prepared on a going concern basis based on cumulative input of the following business potential and mitigating factors:

- e) The EPC division of the Company- has local and international bids are being planned leveraging the experience gained through execution of Marine, Infrastructure and Industrial EPC.
- f) Many of the EPC loans and corporate loans have been restructured and/or assigned to ARCs. The company intends to approach the ARCs for concessions in interest and restructuring of loans. The management is confident that it will help the company to focus on projects in hand and generate cash flows.
- f) The Company is also in the process of generating cash through equity disinvestment in operating SPVs and realisation of advances given to subsidiaries which intends to commence new residential and plotted development projects.

II) New Chennai Township Private Limited
