- State-of-the-art physics, chemistry & biology labs
- Amphitheatres for open air performances
- 24 hours connectivity
- Provision store
- Bookstore
- Medical & ambulance facility
- Shuttle facility
- Furnished accommodation
- Centralised kitchen, canteen & café
- 4000 capacity A/C convention centre

Also, on the anvil are auditoriums, guesthouses, international schools, lecture theatres, libraries, laboratories & computing facilities to provide students a fulfilling education with an active social life enabling growth, interaction & learning in a tranquil yet stimulating unbiased and inspiring environment.

A city within the city, the campus will have everything one would expect from a world class education environment.

Smart cards

MARG Swarnabhoomi EduCity will have access control cards / smart cards to every member of the community. The smart card is required for access to various places on the campus and also used as an identity card. Students will be expected to carry this card at all times and produce it on demand.

Connection

Students and faculty members have 24-hour Wi-Fi internet and intranet portal access. With effective education management solutions a technology enabled campus is in planned for Swarnabhoomi EduCity.

Cafeteria

MARG Swarnabhoomi has state-of-the-art dining and kitchen facilities. Students have an option of choosing the cuisine and design the menu with the vendor and arrive at food of their choice. There are several food-stalls managed by various vendors functioning on campus.

Transport

A Shuttle bus service is available for students between the campus and city. However we encourage students to use cycles in campus and few cycles are provided to the students.

Just in Case

An emergency ambulance service is available 24x7

Health-Services

MARG Swarnabhoomi provides health service facilities. Trained medical staff provides first aid & emergency care to all students. A doctor and nurses are available on call, on all days. Basic facility for treatment of common ailments, common cold, cough and minor injuries is available at the campus infirmary. In case of emergencies a doctor is available on call for 24 hrs. For dealing with serious ailments and emergencies, we have a tie up with several known hospitals .

Accommodation

The students are housed in apartment blocks in 4 storied units. These units have one/ two and three bedrooms each. Rooms are allocated to students on a double occupancy basis with ample space. Every room is equipped with a locker bed/mattress/ pillow and writing table. Students are expected to take responsibility of their valuables. The students also have option to choose the various types of accommodation available from a fully furnished apartment with microwave/air-conditioners etc to basic furnishing. The apartments are also provided with DTH TV at a cost.

The Repository of Knowledge - Library

Every Institution is equipped with a well stocked library housing reference & reading material for students. Specialized journals and a media library of CDs and DVDs are available on the shelves. The library will houses an electronic-media cell on its premises where students and faculty members can browse varied databases.
