GRK Reddy, Chairman and Managing Director, MARG Group, bagged the "Special Jury Award" in the prestigious Gateway Awards of Excellence: Ports & Shipping ' 2012. The award was given to GRK in lieu of his outstanding achievement and exceptional accomplishments in the Indian Maritime Industry and was presented by K. Mohandas, Secretary, Ministry of Shipping, Government of India at a grand ceremony during the India Maritime Week, on January 19, 2012 at New Delhi.

India Maritime Week, co-organized by the Ministry of Shipping, Govt.of India is an initiative on positioning and showcasing India as a Global Maritime Nation. It brings both international and Indian maritime community together to reflect the vibrancy and diversity of India as a major maritime destination. The award instituted by Gateway Media, promotes to showcase outstanding achievements and exceptional accomplishments of individuals and organizations in the Indian maritime Industry. The awards today have become a benchmark in the Indian maritime Industry.

GRK Reddy, widely acknowledged as a visionary and thought leader in infrastructure space wants to masterplan the social fabric by designing new products for life & future generations has won several accolades across the country. "**Special Jury Award**" at the Gateway Awards of Excellence: Ports & Shipping ' 2012 is in recognition of his visionary role displayed in building state-of-the-art MARG Karaikal Port facility and connectivity infrastructure from scratch. The award recognizes his sustained efforts in furthering port-led development in the Karaikal region.

"Over the past 20 years, MARG Group has a built a reputation of reliability and quality in the infrastructure space across the country. The award reaffirms the entrepreneurial spirit that drives MARG to create a new face of Indian infrastructure which is localized and customized to demographics and socio-economic factors. Despite a challenging and competitive market place, we have remained committed to creating inclusive and sustainable infrastructure projects such as the MARG Karaikal Port that are critical to the Indian economy and benefit society as a whole."
